Wisdom 2:12, 17-20

The Weakness of Wickedness

For churchgoers who strive to do what is right, it is hard to understand why some people strive to do what is wrong. But those people exist. They steal to support a drug habit. They hack websites to cause confusion. They lie. They murder. They have no respect for human life.

Evil people have been around throughout the history of the world. Jesus predicted that his life would end in their hands. Jeremiah faced them in his ministry.

Jeremiah overheard the collusion of the wicked. They targeted him because he was just, and righteous people were obnoxious to them.

Whenever the just reproach the wicked, the two sides grow farther apart. The just become more just and the wicked conceive more wickedness in retaliation.

To the untrained eye, evil people often seem to win. They achieve the wrong they try to do.

But to eyes of faith, the wicked never win. Agents of death and destruction, they are eternally conquered by the God of might.

Jeremiah did not live to see the final victory that Jesus achieved over death. Jeremiah lived to see revilement.

In the light of the resurrection, we know now what prophets only hoped for: that wickedness can never overcome what is good.
